

# WEMBERLY WORRIED

LITERACY UNIT

**BAG  
TO  
K  
SCHOOL**

Special Needs for Special Kids

Special Ed

ALSO INCLUDES GOOGLE SLIDES

These literacy units are something I created and started using in my classroom. I had students with significant challenges and most were **non-readers**. This is a great way to expose all students to some great books.

## Table of Contents

Pages	Activity
4-7	Vocabulary board
8-12	Circle map: things people worry about
13-15	Word map: worry
16-19	Sorting: help or hurt when worrying
20-24	Matching worry to situation
25-28	Writing prompt: When I worry
29-30	Terms of Use

In a separate file you will find:

- Directions and links to digital activities

*This unit has 5 activities to go with this book to last a full week of instruction.*

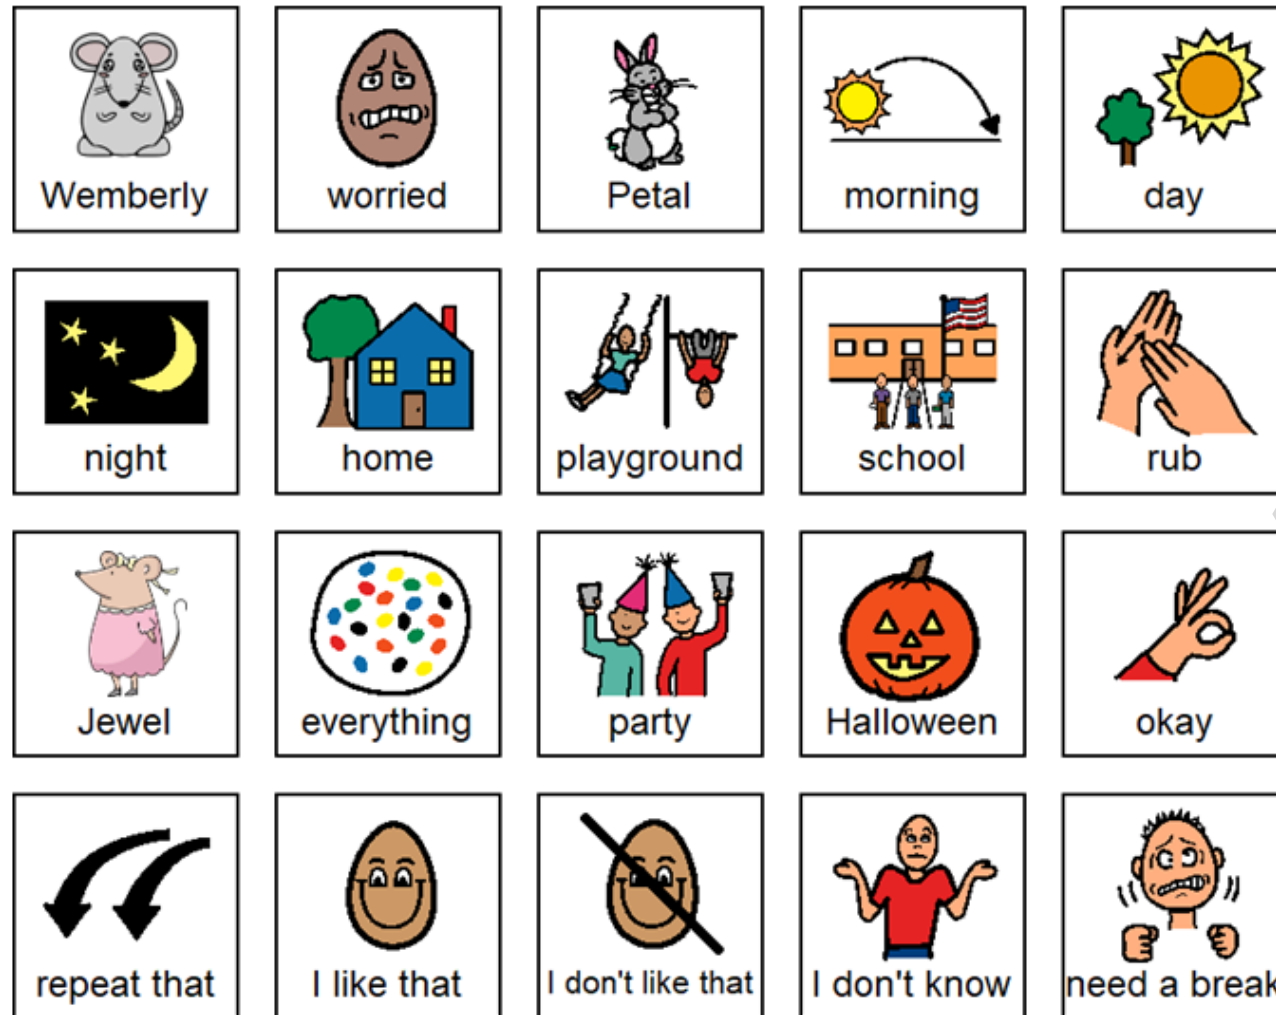

*There are 2 separate files, one in color and one in black and white.*

This unit comes with a storyboard.

Storyboards are great for ALL students to assist with participation and engagement in group discussions.

Tips on how to use in the unit!!

Wemberly worries about everything. What are some **common** things that might make a person worry?

Errorless version

Place the pictures in the circle map on previous page to show things that would make a person worry.

Place the pictures in the circle map on previous page **ONLY IF** you think it would be something some people might worry about.

There is a circle map showing things people often worry about. There is an option that only has correct answers and one that has wrong answers mixed in.

What does worry mean?

Students will complete a word map showing other words for worry. This is an errorless task.

There is a sorting activity. Students will sort things that will help when you are worrying and those that might hurt. There is a suggestion for differentiation included.

Look at each situation. What do you think a person might worry about in that situation?

 new school	<input type="text"/>	 hike	<input type="text"/>
 climb	<input type="text"/>	 test	<input type="text"/>
 roller coaster	<input type="text"/>	 at the dentist	<input type="text"/>
 singing	<input type="text"/>	 concert	<input type="text"/>

Match the thing you might worry about to the situation on the previous page. Use color coding for differentiation as needed.

 grades	 I'm lost	 too scary	 too loud
 hurt	 fall	 forget the words	 lonely

Answer Key

- New school >> lonely
- Hike >> get lost
- Climb >> fall
- Test >> grades
- Roller coaster >> too scary
- Dentist >> hurt
- Singing >> forget the words
- Concert >> too loud

Students will match what people may worry about in different situations. Suggestions for differentiation are included.

# When I worry

Sometimes I worry about

When I feel worried, I can

I can talk to

when I am worried.

Sometimes, it helps to go to the

Everybody worries. I know I will be

Students will write their own story about when they worry. They can pretend they are someone or something else if they would like. This is an errorless activity that allows students to write their own story independently.

Listen to  
Wemberly  
Worried read  
aloud

There is a video of the book  
read aloud. This is a video  
from YouTube.

Great for review

Place the pictures in circle map showing some **common** things people worry about.

 grades	 not being liked	 lonely	 getting
 getting lost	 poor	 hungry	
 confused	 miss the bus		

There are digital versions of the activities included. Students click and drag the answers.

# Perfect for every learning level
