**Nationalism** is a way of thinking that believes people have a right to make up their own rules and govern themselves.

In 1762, **Jean-Jacques Rousseau** published a theory, *The Social Contract*. He believed that people naturally come together to form a society as a way of protecting themselves.

Christa Joy, Special Needs for Special Kids

From the 1870-1914 was known as the **Age of Imperialism** in Europe.

## 44 page book

Some people think of **patriotism** as a form of nationalism.

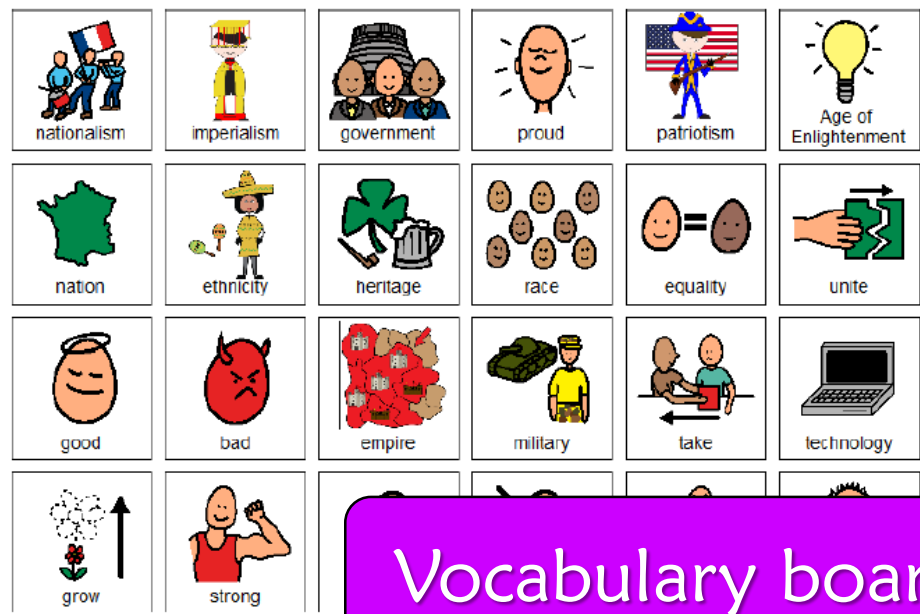

The goal of imperialism is to create an **empire**.

By taking over nearby, smaller countries, they could gain more resources and prove how much stronger they were.
