 - Place the letter cards on various things around the room that start with the letter of the week
- **Directions**
 - Have students walk around looking for items that start with the letter of the week
 - Once students find the letter label, they should attempt to name the item they have found
- **Differentiation**
 - For students that need more structure, give them a piece of poster board with blank spaces to show them how many letter cards they should try to find
 - For students still struggling, have pictures of what items they are to find and see if they can match the object that starts with the letter to the picture
- For *5 different ways to do a scavenger hunt*, check out this blog post with free hunts to download:

- **Directions**
 - Spread the paper plates around the classroom or work area on the floor
 - You can choose to either place them upside down for variation 1 or right side up for variation 2
 - Variation 1
 - Students take turn picking up a plate and bringing it back to their seat
 - The student gets to keep the plate if it is the letter of the week or a picture that begins with the letter of the week
 - Whoever has the most plates at the end of the games wins
 - Variation 2
 - Student looks at plates and tries to only pick up one that has the letter of the week or a picture that begins with that sound
 - Student gets to keep the plate
 - Whoever has the most plates wins
- **Differentiation**
 - For students that need more structure, use the letter of the week and the pictures that start with that letter. That way students have a visual cue to the correct answer.
 - Or, eliminate the distractors all together
