MOLLY'S PILGRIM (FOR SPECIAL ED)

Special Needs for Special Kids

ALSO INCLUDES GOOGLE SLIDES

These literacy units are something I created and started using in my classroom. I had students with significant challenges and most were **non-readers**. This is a great way to expose all students to some great books.

Tips on how to use in the unit!!

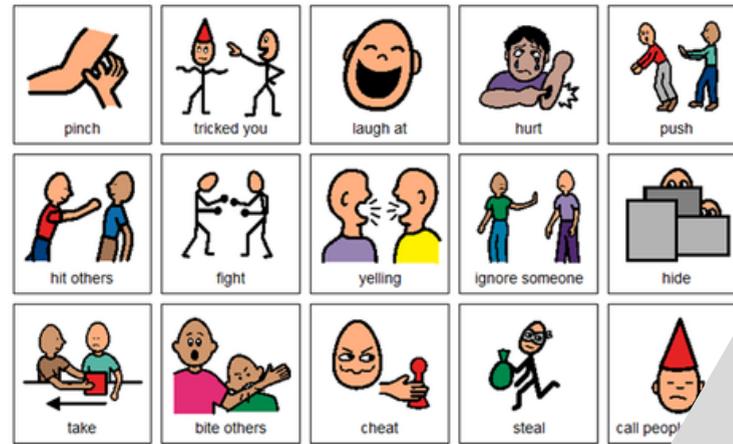

What does "mean" look like?

Errorless version

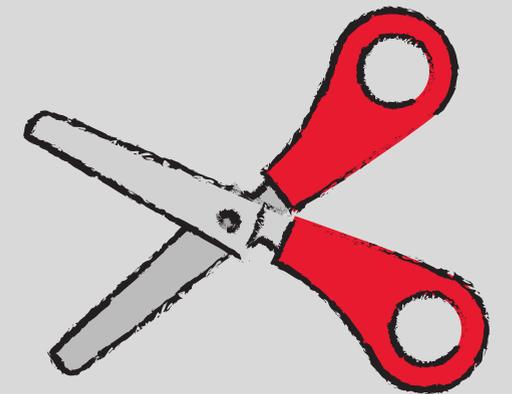

Place the pictures in the circle map on previous page showing what being mean looks like.

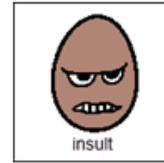

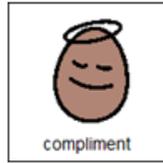

Place the pictures in the circle map on previous page if you think it describes the word mean.

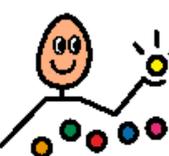

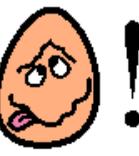

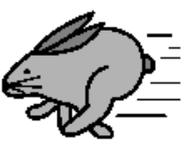

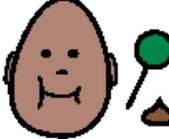

There is a circle map where students can choose from some options to show what being mean can look like.

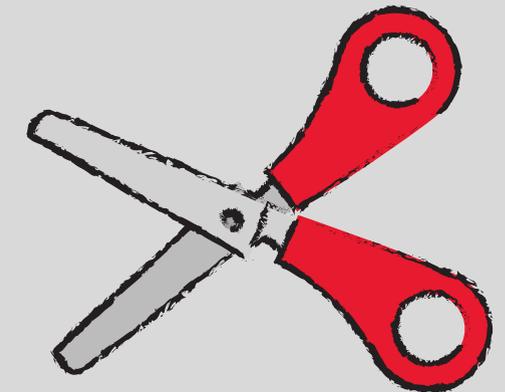

Elizabeth and the other girls did not have very nice things to say to Molly. Some things are a compliment, and some are an insult. Sort the following into whether you think they would be a compliment (nice) or an insult (mean).

 ugly	 lazy	 smart	 fat	 smelly
 nice	 funny	 mean	 pretty	 the best
 weird	 loud	 strong	 fast	 dumb
 great	 dirty	 friendly	 annoying	 sweet

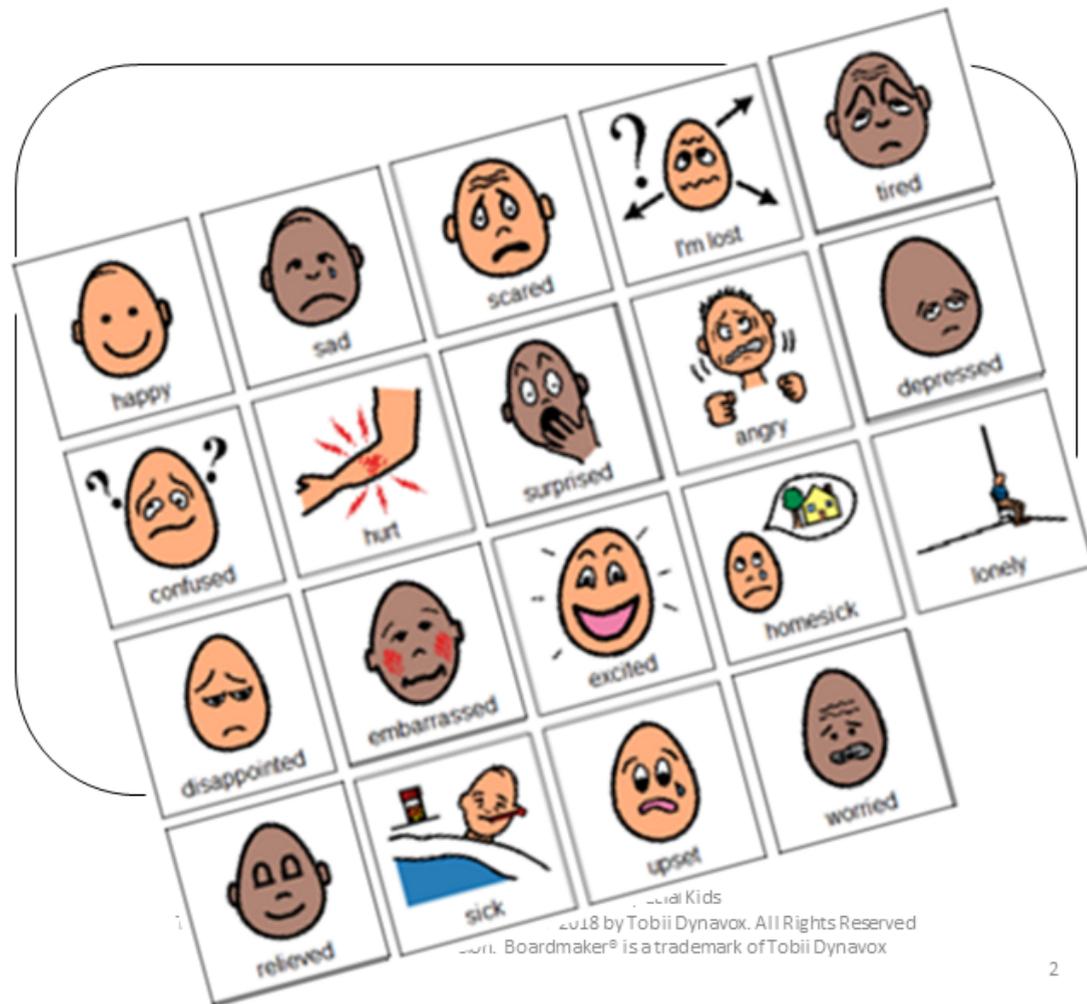

Students will sort things that are insults and compliments

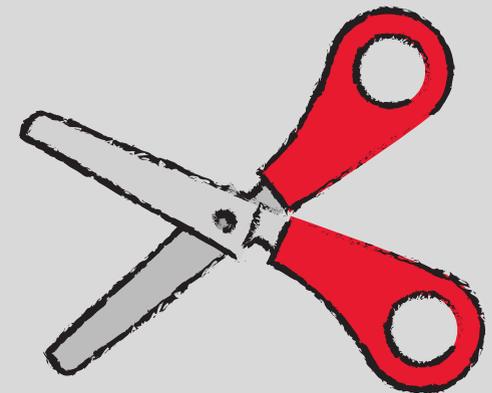

There are a lot of reasons people cry. Put some pictures in the box below to show some of these reasons.

Reasons people cry

Students will identify some of the reasons people cry. This is an errorless activity.

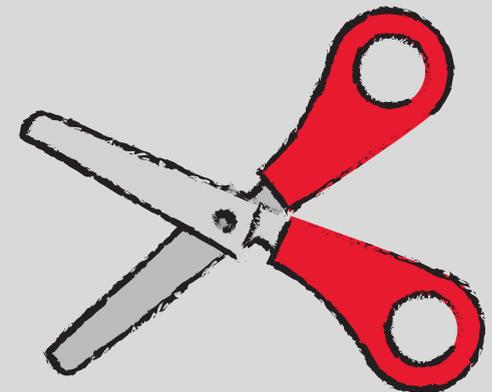

Things that Make Me Embarrassed

Choose some things from the pictures below to fill in the boxes on the previous page.

 fall	 trip	 yell	 fight	 mean
 I'm lost	 speaker	 sing	 mistake	 wrong answer
 hello	 burp	 pick nose	 missed	 frustrated
 tricked you	 wrong way	 confused	 joining in	 asking questions

Students will identify reasons that you might get embarrassed.
