Difficult

Sorting Activities

Cut apart pictures and sort into correct column on page 2.

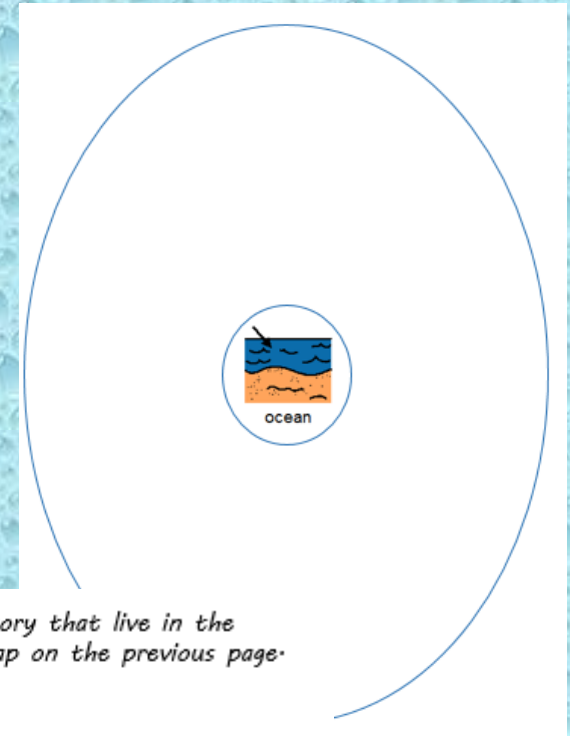

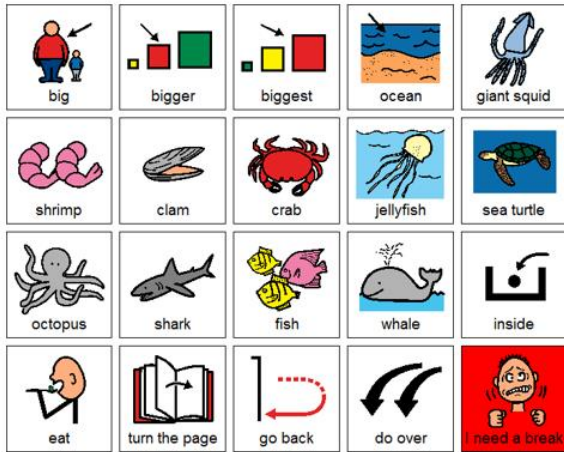

Cut apart color-coded pictures and sort into correct column on page 2.

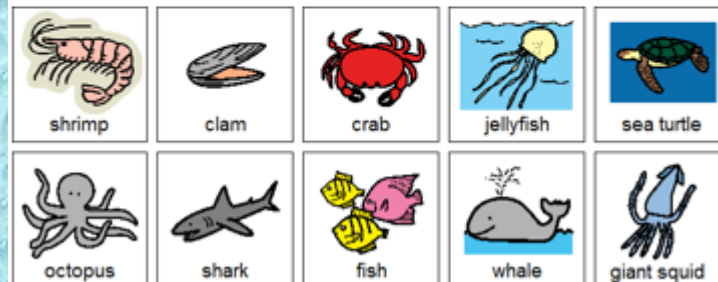

**In color
and BW**

Story board and Circle Map

Cut apart pictures from the story that live in the ocean and place in the circle map on the previous page.

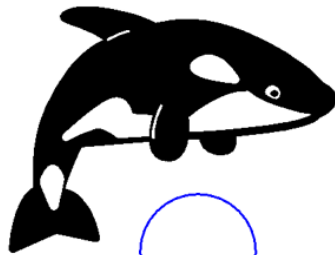

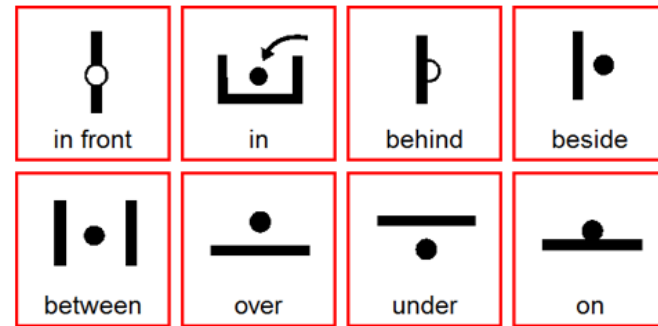

Preposition book

Directions

- Have students cut out the pictures of the giant squids on page 12.
- Have students cut out prepositions on page 11.
- Glue correct preposition in square in sentence.
- Choose a picture of the squid to paste in the circle on each page.
- Optional: Color each page.
- Once done, staple or bind book together and students can practice reading where the squid is.

Prepositions

The giant squid is the whale.

Problem  Happens at the end 

Other characters  Did you like the story? yes no

Power Point on Giant Squids

Giant Squids

By
Christa Joy
Special Needs for Special Kids

They can grow to tremendous sizes. Some have been measured at 43 feet long which is about the length of almost 2 tour busses.

Giant squids live deep in the ocean.

So what eats these giant squids?
The only know predator of this huge sea creature are sperm whales.
